

## Custom Laser Engraving

---

At Kochek, we pride ourselves on our flexible manufacturing systems. We make it easy to order your parts exactly as you want them, with any unique identifying features required for the job.

With our high quality, durable custom laser engraving services, you can:

- Mark your equipment for easy identification
- Separate your equipment from other departments
- Specify useful information such as water pressure
- Specify year of purchase
- Many other department specific uses

You can also choose custom colors for your parts for the ultimate in personal identification.

Kochek, the leader in Fire Equipment Customization

•High Quality

•Durable •Custom

•Makes Part ID Easy
