

Premium Attack Hose

Nitrile/PVC Rubber Covered

The new Kochek Premium Attack Hose line is made of the highest quality materials. All configurations are assembled to order in our Putnam, Connecticut, USA facility. Each hose features Kochek's tough, long-lasting aluminum alloy bowl couplings, well known for their superior performance and durability.

Main Features

- Heavy duty ribbed Nitrile/PVC rubber cover offers exceptional abrasion resistance and extended service life.
- Polyester reinforcement provides strength, flexibility, and kink resistance.
- Maintenance free and easy to work with. Resists stains and does not require drying.
- Smooth inner liner for maximum water flow.
- Highly resistant to petrochemicals, heat, cuts, and other hazards.
- Meets and exceeds NFPA 1961 standards.
- Remains flexible at temperatures as low as -35F.

Connections

- Standard bowl couplings available with 1-1/2" or 2-1/2" NH and NPSH threads
- Special threads available upon request
- Other types of specialty couplings available upon request

Colors & Finishes

- Hose is available in Red, with Yellow available optionally upon request.
- Standard couplings are hardcoat black or natural, depending on availability.
- This industry-standard coating offers superb corrosion and abrasion resistance.
- Powdercoated couplings for color-coding are available upon request.

Warranty

- 10 Year Manufacturers Warranty
- Lifetime Warranty against tube delamination
